Dahls and Pulses

Premium Dahls & Pulses from Australia

Selected Pulse Foods is proud to produce one of the largest range of Dahls and Pulses from one supplier. Commitment to the highest standard, and the ability to produce a consistent quality, makes Selected Pulse Foods the preferred supplier of Dahls and Pulses to many countries in the world.

Selected Pulse Foods is the only plant in Australia which can make high quality Mungdahl. Marketed under the Phoenix Brand it quickly obtained a reputation as one of the highest quality and cleanest Mungdahls in the world.

The plant also produces Retail Quality Chana Dahl and Toor Dahl for both our domestic and international markets. We also consistently have strong demand for whole cooking Mungbeans, with our major markets coming from Sri Lanka, India, Malaysia and the Philippines.

We believe at Selected Pulse Foods that we are the first choice for your Dahl and Pulses for the following:

- * Range of Products
- * Consistency of Supply
- * Consistency of Quality
- * Cleanness of Product
- * Competitive Prices

We look forward to supplying your needs.

These can be shipped in full container loads or as mixed containers. Because this is all done in our own warehouse, you can be assured of quality and prompt shipment.

For an updated price of our range of high quality Pulses, please do not hesitate to contact us.
